

Papa House Report:

Thank You Revival Fires sponsors and donors for your support towards the following services for marginalized children here in Siliguri.

DECEMBER: This year we celebrate Christmas in our new Church building. All the children were very excited and full of enthusiasm. We prayed, we dance, we worship and we thanked Jesus all together. It was a great opportunity for all the Papa's house children to perform on Christmas carol songs and dance in city center Christmas programme.

JANUARY: Every year Papa's House Children are enthusiastic about Republic Day celebrations, wearing their school uniform and showcase their many talents such as participating in Parades, presentation of songs and dance. Overall it is fun filled day with sweets, treats and celebration lunch.

February: By the Grace of god all the schools are reopen here in West Bengal. Our school is also open on 12th of February. We are grateful that we could continue providing our support to these precious children.

Also we arranged a small picnic at papa's house as we couldn't go out this year also.

Thank you sponsors and donors for your continuous support and your prayers for these children who otherwise would never experience the love that we share with them rooted in Christ.

Kindly find some video testimonials of some of the daily activities and testimony of some of the children who continue to thrive because of your generous support and love.
